

## Own Risk Declaration

UNIVERSITY  
OF APPLIED SCIENCES

Given that I understand the following:

- HZ follows and is compliant with the travel advice as given by the Dutch Ministry of Foreign Affairs,
- The Dutch Ministry of Foreign Affairs advises to not travel to the countries with a code 'red' and advises to travel to the countries with a code 'orange' only when that is deemed highly necessary,
- The Dutch Ministry of Foreign Affairs currently advises code 'orange' for the country where I wish to do a Study Abroad minor and/or internship;
- I consider it a necessity to be in this country for my study progress. Therefore I need to travel to this country;
- I understand that HZ University of Applied Sciences (HZ) does not accept any risks as a consequence of this choice and I hold HZ fully indemnified for any and all costs, charges, damages, expenses or loss incurred due to my travel to/from, and during my stay in this country.

I realize that inherent to this decision I have to carefully prepare for my travel to/from, and stay in this country and,
