HZ CULT CONTINUES

Corona determines our everyday life, including our opportunities to enjoy music, theatre and film performances. In spite of all this, HZCult has managed to organise a number of activities over the past year. In the coming six months we have been able to plan a full programme again.

Film, theatre and museum visits are again possible, taking into account the measures concerning Covid-19. This way you can enjoy all kinds of cultural activities without running any risks. Unfortunately, city trips cannot take place either, but we are hopeful for the future and a first day trip is already planned on 17 April 2021 to Ypres in Belgium.

Besides all this, we also organise all possible activities on request of the various study programmes. If you have a good idea of what fits within your programme, consult your teacher and ask HZ Cult to organise it. We hope to see you in the coming year!
