

## REGISTRATION WITH THE MUNICIPALITY

If you will stay in the Netherlands for more than four months, you will need to go to the municipality and register as a new resident of the town where you will be living. After registration, you will immediately receive your BSN (citizen service number). For residence in Vlissingen see below. For residence in Middelburg see information on [page 2](#).

We recommend you to book the appointment now, so you can register as soon as possible after arrival. Because the date you register becomes your registration date in the Netherlands, which is important if you want to apply for rent allowance.
